Break 1:30–2:00 p.m.

Session B 2:00–4:30 p.m.

Teacher to Teacher (T2T) offers CCCC Convention participants a dynamic professional development and networking opportunity. Designed as a series of practice-based conversations, T2T provides a space to celebrate and talk about our teaching. Open to all convention attendees, T2T participants will be invited to learn about a range of activities, assignments, and methods from more than 100 teacher-presenters. As well, we will provide an open period to discuss teaching issues and struggles at the end of each session. T2T presenters include full- and part-time faculty, graduate and undergraduate students, and aspiring educators as well as colleagues representing secondary, two-year, and four-year institutional homes. After a short welcome and introduction, attendees will hear from the Cs first-ever teaching excellence award winners and then select from nine breakout rooms during the first hour and then choose a second breakout room during the second hour. Each hour will have approximately three rapid 5-minute presentations followed by ample discussion time. Attendees are welcome to join at any part of the morning and afternoon sessions and may join the breakout rooms as their schedules allow. Please make sure you have the most recent update to Zoom in order to choose your own breakout room.

Visit Teacher to Teacher for a complete list of breakout room topics and descriptions.
