2023 Chicago Convention

February 15–18
**Doing Hope in Desperate Times**

Join us at the Hilton Downtown Chicago for the 2023 CCCC Annual Convention and take advantage of the opportunities to interact with over 3,000 college-level educators focused on teaching writing. Attendees are two-year and four-year college-level faculty interested in discussing and sharing research with colleagues from across the nation and around the world, learning the latest methods in teaching composition across the levels, and meeting and learning from people with similar interests. Be a part of the CCCC Annual Convention during this critical moment, when writing has become the work of our time.
