

Speaker License and Release Agreement

In connection with the 2022 CCCC Annual Convention (the “Convention”), I, (“Speaker”) have agreed to participate in a panel or give a presentation or speech. My Convention presentation or speech, and all of my contributions to a Convention panel, including the content of my panel comments, presentation or speech, and any written materials, audio and/or visual presentations, or videos, are collectively referred to herein as the “Works”). I represent that I am the author of the Works or am authorized to grant the rights on behalf of the author, _____ (“Author”).

I hereby grant the National Council of Teachers of English (“NCTE”) permission to publicly display, broadcast, perform publicly by digital audio transmission, and distribute the Works in connection with the Convention through the duration of the Convention and after the Convention concludes, until June 7, 2022 (the “Convention Term”). I further grant NCTE permission to retain a copy of the Works for record keeping purposes only.

I also grant NCTE the right to record, video, or photograph my participation in the Convention, including recording my presentation or speech and/or my panel participation, and to use, edit, publicly display or perform, and broadcast the recording, video, or photograph, individually or in conjunction with other works, for any purpose in connection with or related to the Convention. I hereby grant NCTE the non-exclusive right to use my name, voice, photograph, and likeness (collectively, “Likeness”) in connection therewith or with the Convention, including to promote the Convention. I waive any right to inspect or preapprove the use of the Works or my Likeness, or any content that may be used in connection therewith. I release NCTE from any liability concerning any blurring, distortion, or alternation, edit whether intentional or otherwise, that may occur or be produced in using photographs, videos, or other recordings.

NCTE has no obligation to use the Works or Likeness in any way, and no obligation to pay any royalties for any of the rights and permissions provided herein.

I represent and warrant that the Works are original to me and/or the author who has authorized me to grant rights on his/her/their behalf, that use of the Works by NCTE will not in any way infringe upon the rights of others, and that I have the full power to make this grant on behalf of myself and/or the author and that this Agreement does not conflict with any prior obligations.
